- All appointment requests are due by June 1. See below for instructions on how to submit requests for each type of appointment.

**APPOINTMENT APPROVAL PROCESS:**

1. **SEPARATE MEMO REQUIRED (USE ATTACHMENT 1):**
   The Associate Vice Chancellor, Academic Personnel (AVC-AP) reviews and endorses the following types of appointments prior to EVC approval via the Appointment Request Memo Template:
   - **Initial/new appointments:** All academic administrators (except department chairs and vice-chairs).
   - **Changes** to all academic administrators (except department chairs and vice-chairs), including proposed change in person filling the appointment, proposed change to the stipend amount, or proposed change of effort allocation (FTE %).
   - **Appointment requests should not include funding requests.** A confirmed funding source for each proposed compensation element must be in place before the appointment request will be routed for approval.

2. **CHAIR & VICE-CHAIR SPREADSHEET REQUIRED (USE ATTACHMENT 2):**
   The EVC approves the following (no AVC-AP review needed) via the Chair & Vice-Chair Appointment Template:
   - **Initial appointments and reappointments:** Academic department Chairs (Vice, Acting, Co-) and department directors.
   - Include the department Chairs (Vice, Acting, Co-) and department directors on the Attachment 2 template.
   - A confirmed funding source for each proposed compensation element must be in place before the appointment request will be routed for approval.
3. ADMINISTRATOR SPREADSHEET REQUIRED (USE ATTACHMENT 3):
Types of appointments that might be included on the Attachment 3 template include Directors (Acting, Co-, Deputy, Associate) Acting Dean, Associate Dean, and Faculty Advisor.

EVC approves the following (no AVC-AP review needed) via the Academic Administrator Appointment Template:
- **Reappointments with no changes**: This includes all academic administrators that have current approval status through a prior separate memo or spreadsheet (i.e., the appointment terms are currently active and approved).
- A confirmed funding source for each proposed compensation element must be in place before the appointment request will be routed for approval.

SUBMITTING REQUESTS:
Email request documentation to Elizabeth “ZouZou” Chapman (zouzou.chapman@ucsb.edu). She will route documents to the AVC-AP for endorsement (if necessary) and to the EVC for final approval.

APPROVAL NOTIFICATION:
The EVC’s office will email the appointment approval decision to your unit. If approved, ZouZou Chapman will email a copy of the EVC-signed approval memo/spreadsheet to your unit for your records. The AP Path team will be copied on approved requests for UCPath entry.

RECALL FACULTY NOTE: To request approval of an administrator appointment held by a Recall Faculty member, follow these steps:

1. Fill out the “Academic Recall Appointment Form” on the Academic Personnel website. Check the “Other” box. In the text box section, include an overview of administrative responsibilities, summary of appointment, proposed compensation elements, confirmed funding source, and the LAFS that should be used in UCPath. This information will be required to process the approval. Failure to include this information will result in approval delays.
2. Print the form and obtain the Department Chair and Divisional/College Dean signatures.
3. Once the form is signed, email it to ZouZou Chapman (zouzou.chapman@ucsb.edu). She will route it to the AVC-AP for endorsement and to the EVC for final approval.
4. If approved, Academic Personnel will generate an AVC-signed approval memo and email it to the appropriate Division/College contacts. Academic Personnel will also inform the AP Path team of the final approval for UCPath entry.
5. Add the appointment that the Recall Faculty member is holding to Attachment 3 (“Administrator Spreadsheet”) and email it to ZouZou Chapman. She will route it to the EVC for approval. If approved, ZouZou will email a copy of the EVC-signed spreadsheet to your unit for your records.
6. Please note that the EVC funding request process has not changed. Please contact our Assistant Director of Finance, Erica Losada (erica.losada@ucsb.edu) for more information about the funding request process and required funding request documentation.
